
Do you love the book Ramona and Beezus? Have you been searching for a copy in high quality format to watch on your TV or Blu-ray player? Well today is your lucky day, because this post will talk about how to find the best one! There are so many different qualities of Ramona and Beezus available on sites like Amazon.com, but not all of them are what you're looking for. What kind of Bluray 720p DTS x264-CHD do you want? There are some factors that determine what kind is right for you. A RAMONA AND BEEZUS BLURAY 720P DTS x264-CHD is basically a copy of the movie on Blu-Ray format. A REMASTERED VERSION is an earlier film that has been cleaned up or remastered to work better with newer technology. They are usually of high audio and video quality. A BRILLIANT 1080P FULL HD REMASTERED VERSION is almost identical to a Remastered Version, but it has the added bonus of being in full 1080p high definition! However, it may have higher compression since it's bigger in size. If you're like me, then you want to go with the full 1080p remastered version, which you can find [HERE](#). So now that we understand what kind of Blu-ray 720p DTS x264-CHD is best for us, let's move onto the actual sites to buy one like Amazon.com, because I promise it will be worth it. For Amazon.com you have two options: 1) Direct Purchase (You choose the options through them)

2) Rent It (You choose the options through them)

2. Other sites like: 3. Other sources like: 4. Youtube (You can watch the original DVD of the movie on Vimeo)

5. DVD piracy (You can rip this DVD yourself out of your video collection and place it on Bluray or You Tube) TRY THIS LINK TO DOWNLOAD IT [http://www.uploadable.ch/file/GtR37cUsh4Ov/RAMONA+AND+BEEZUS_-_BD_DVD_-_2011_Bbluray_1080p_DTS_x264-CHD_\(www.filmaffinity\).rar](http://www.uploadable.ch/file/GtR37cUsh4Ov/RAMONA+AND+BEEZUS_-_BD_DVD_-_2011_Bbluray_1080p_DTS_x264-CHD_(www.filmaffinity).rar) This list is not everything. There are many different sources and websites with different video and audio qualities. You can also find video of different versions of the film on Vimeo, YouTube, DVD pirate sites, etc. I hope it helps you!

Love, Borian
